

So Very Merry Card

Paper:

- ☐ Cherry Cobbler
 - 7 1/4" x 5 1/2", scored at 3" on longer side
 - 2 3/4" x 2 3/4"
- ☐ Very Vanilla
 - 2 3/4" x 2 3/4"
 - 2 3/4" x 5 1/4"
- ☐ Distressed Gold 12x12 DSP
 - 5 1/2" x 1 1/8"

Instructions:

- ☐ Fold cardstock base on score line
- ☐ Emboss front card flap using Snowflake Sky 3D Embossing Folder.
- ☐ Die cut Distressed Gold strip in half, using Gorgeously Made Dies.
- ☐ Adhere 1/2 of this strip to card front flap right edge, and the other to back right side of card.
- ☐ Stamp Santa image using Versamark Ink on square Very Vanilla panel.
- ☐ Sprinkle Gold Embossing Powder on this and emboss using Heat Tool. This will give the image a "stained glass" look.
- ☐ Color Santa image using Blends listed above. You can get a more shaded look by coloring the light first, then add darker color below where you just colored.
- ☐ Let it dry a bit and then go over the harsh line between light and dark, with the lighter Blend again.
- ☐ Punch Santa out using 2 3/8" Circle Punch.
- ☐ Adhere Santa to Stitched Shape Cherry Cobbler circle, that has been die-cut.
- ☐ Adhere piece of Gold Trim on the back of the Santa circles using Mini Glue Dot.
- ☐ Adhere this piece to card front, using Dimensionals.

- ☐ Adhere the other loose end of Gold Trim to back of front flap, using Mini Glue Dot.
- ☐ Adhere Cherry Cobbler ½" Circle on top of the Gold Trim raw edge.
- ☐ Stamp sentiment on Very Vanilla panel, using Cherry Cobbler ink.
- ☐ Adhere to inside of card.
